

**W. C. T. U.**

(Mrs. J. J. Vance, Press Supt.)  
 The Ketchikan, Alaska, W. C. T. U. is educating the community by placing temperance posters in bank, grocery store, bowling alley and electric light office.  
 A protest by the Adrian, Michigan, W. C. T. U. and the pastors of the city prevented the exhibition of the Jeffries-Johnson prize light pictures at the Adrian county fair.  
 Schenectady, New York, W. C. T. U. recently observed their annual Tag Day and collected \$933.36 above all expenses.  
 There are twenty-five local W. C. T. U.'s in St. Lawrence county, N. Y., with a total membership of 725.  
 The W. C. T. U. of Taylorville, Penn., has distributed 1,405 bouquets through its Flower Mission department.  
 A Woman's Suffrage Constitutional amendment is to be voted on in South Dakota Nov. 8.  
 At the recent South Dakota W. C. T. U. State convention one delegate traveled fifty miles before reaching a railroad. This shows the zeal and earnestness of white-ribbon workers.  
 On the 49th anniversary of the battle of Lexington, the day was celebrated in Lexington, Missouri, by the unveiling of a Frances E. Willard memorial window in the chapel of Central College for women.  
 During the recent state convention

of the Maine W. C. T. U. in Portland, at the close of an afternoon meeting half a hundred touring cars were placed at the disposal of the convention and an automobile drive was taken through the business streets of the city. Many banners and white ribbon pennants were in evidence and the display of W. C. T. U. strength was imposing. An onlooker remarked that he felt convinced that if the prohibition  
 The Union Signal says, "A Chicago priest refused to accept pew rent of a saloon keeper, because, as the priest declared, the saloon keeper's business was to undermine the work of the church."  
 Muskingum county, Ohio, and Zanesville, the county seat, are hotly contested by the liquor traffic. A short time ago the W. C. T. U. president of a little village came to the city and filed an affidavit against one of the most notorious "speakeasies" in the county—a camp on the Muskingum river. This was the first case brought before the prosecuting attorney. The place was raided by the sheriff and a posse of policemen. They destroyed 1000 bottles of liquor, surprising both wet and dry elements, as they did not think a woman would dare to do such a thing.  
 question was resubmitted to a vote of the people that the good old state of Maine would emerge from out the storm as high and dry as ever.  
 The Alliance W. C. T. U. will meet with Mrs. McCorkle Thursday afternoon, Nov. 10. Special business needs attention and an urgent request is made that every member plan to be present.

**COUNTRY CORRESPONDENCE**

**STRASBURGER**

Monday morning Mrs. John B. Strasburger started for Bureau county, Illinois, to attend the wedding of her niece, Miss Janet Norris, daughter of Mr. and Mrs. Clark Norris of the Norris farm. There, too, there will be a reunion of the Hoge family. Her only sister from Collinsville, Alabama, and her three brothers from Virginia and Washington, D. C., James, Lewis and William Hoge, respectively, will all be there. After the wedding and reunion Mrs. Strasburger will go with her sister and brothers to Chicago. What a talkfest they will have! The Hoge family, being Quakers or members of the Society of Friends for many generations, the thees and thous will be abundant, their yea will be yea, and with them nay means nay. But one thing is certain, there will be no slander, nor vilifying in their talkfest, for they know too well "that the liar is no better than the thief, and if his mendacity takes the form of slander, he may be worse than most thieves. The soul of every scoundrel is gladdened whenever an honest man is assailed." That great American, Roosevelt, thought so and thus do all honest men think.

Miss Lucy Pinkham was visiting her sister, Mrs. Effie Spear, last week.

The writer is informed that V. Moore and C. Argo are building sod houses on their claims.

That was a very kindly and courteous thing for the estimable Editor of The Herald to do in last week's items of Strasburger and Hope. I always did think he had a clear head, and now I know it, and not only know, he has a clear head but a warm heart too. Well, may our kind, Heavenly Father bless him and may "his shadow never grow less," is the sincere wish of Goodeolde Boy.

Louis Wall, Julius Eckerle, Harry and Fred McMillan and W. S. Hardison all drove to Lakeside last week in order to get lumber, coal and provisions.

The Strasburger public school has an excellent teacher in Miss Hooper. She shows that she has taught before. A good teacher ought to be so young that she still knows how children feel, and so old that she has the experience and knowledge to teach correctly.

Miss Hooper came from Iowa for her health. We hope pure water, Nebraska air, exercise and cheerfulness will assist in restoring same. There are others who have come to Northwestern Nebraska for their health.

Rev. McLaughlin preached a good sermon last Sunday at the Strasburger school house on "Faith and Works."

—Goodeolde Boy.

**QUAKER VALLEY**

We never realized what stillness was until we lived in the sand hills. Not a tree for the wind to whistle through, not a leaf to rustle, not even a murmuring brook. 'Tis true if we live near a lake we may hear the dull thud of the waves lashing

**Hessian Fly Cause of Yellowing in Wheat**

**Dr. E. Mead Wilcox Gives Interview on This Subject**

Dr. E. Mead Wilcox, of the department of agricultural botany, of Lincoln, who is well known to the farmers of Box Butte county through his investigations the last two years of the potato diseases, has written The Herald editor asking whether or not the winter wheat is turning yellow and dying out as in some parts of eastern Nebraska.

From our interviews with prominent farmers of this county, this section seems not to have been touched. If anyone knows of this condition and will so report to this office, we will be glad to inform Dr. Wilcox.

In an interview in the Nebraska State Journal Dr. Wilcox stated that the impression is that the Hessian fly is responsible for the yellowing and dying out of the wheat blades, but that there are at least two other factors in the trouble, namely wheat rust and wheat root-lice.

He stated that there are two species of rust on the wheat in this state that both live over winter on volunteer wheat, winter wheat and certain wild grasses. At present there is no cause for alarm over the rust situation although many fields are badly infected in the eastern part of the state.

The wheat root-lice, which are effecting some of the fields in the state, are almost an entirely new enemy of the wheat plant and the sections effected by them are not very extensive.

**Not Sorry for Blunder**

"If my friends hadn't blundered in thinking I was a doomed victim of consumption, I might not be alive now," writes D. T. Sanders of Harrodsburg, Ky., "but for years they saw every attempt to cure a lung-racking cough fail. At last I tried Dr. King's New Discovery. The effect was wonderful. It soon stopped the cough and I am now in better health than I have had for years. This wonderful life-saver is an unrivaled remedy for coughs, colds, lagrippe, asthma, croup, hemorrhages, whooping cough or weak lungs. 50c. \$1.00. Trial bottle free. Guaranteed by F. J. Brennan.

**Fairview Ladies' Aid**

The Ladies' Aid society of the Fairview church met yesterday with Mrs. Wm. Rust, sr.

ing the shore, but away from there, silence, save now and then the mournful wail of the cuckoo, or the distant lowing of some stray cattle, or perchance the yelping of a coyote. These sounds pass away and then comes silence. It was almost oppressive at first but we have learned to love it, and we often stand out under the starry heavens alone with God and conscience enjoying this silence and the peace that the Father gives to those who love Him and we bow our head and say amen.

Mr. Krell has his house about done and began to move his things from Alliance Monday.

The men have decided to work on the school house Monday. Hope we will get it done this week as we need it very much.

Mr. Bacus and daughter, Anna, were here Sunday attending Sunday School and church. They took dinner at E. J. Owen's.

Thomas Vantress will work for Gene Thompson this winter.

We are having beautiful weather after our freeze and snow. Hope it will stay this nice until after Christmas. A rain would do good.

**BEREA**

(Crowded out last week)

Hello! Here we are again. "Bad pennies always return," you know.

Guy Nabb spent Sunday evening in Alliance.

Edd Anding and family are still in "Good Old Box Butte." It is hoped that they will not desert us.

Joe Nabb went to Clay county last week to be gone about two weeks.

Mrs. P. J. Knapp was in Alliance Saturday.

Louis Huelle and wife were also Saturday visitors in Alliance.

J. T. Nabb, the grain dealer in Berea, is again busy loading a car of wheat.

We have been having delightful weather out here lately, but we feel like dancing a jig sometimes in the morning tho'.

Wm. Essex and family are expected to move down in the sand hills on their homestead in the near future.

The Berea school-pap and kids are getting along as fine as frog hair.

J. T. Nabb and Elsie were in Alliance Saturday. They looked like they were just migrating from Germany.

P. J. Knapp got over 600 sheep Sunday. He intends to winter them on the buffalo grass which thickly covers the prairies near Berea.

Elsie Nabb journeyed over to the Knapp ranch Monday evening and it is still the gossip of the neighborhood how she arrived there safe and sound by the mode of travel that she chose.

It is a little cloudy and rainy today, but cheer up, it might have been worse.

**HEED THE WARNING**

**Many Alliance People Have Done So.**

When the kidneys are sick they give unmistakable warnings that should not be ignored. By examining the urine and treating the kidneys upon the first sign of disorder, many days of suffering may be saved. Sick kidneys expel a dark, ill-smelling urine, full of "brick-dust" sediment and painful in passage. Sluggish kidneys cause a dull pain in the small of the back, headaches, dizzy spells, tired, languid feelings and frequent rheumatic twinges.

Doan's Kidney Pills are for the kidneys only; they cure sick kidneys, and rid the blood of uric poison. If you suffer from any of the above symptoms you can use no better remedy.

Alliance people recommend Doan's Kidney Pills.

Mrs. L. A. Benedict, Sweetwater St., Alliance, Neb., says: "For several years I have used Doan's Kidney Pills and consider them to be an excellent kidney remedy. During the winter months my kidneys become disordered, but I always procure a supply of Doan's Kidney Pills at Fred E. Holsten's Drug Store and they drive away my trouble. Doan's Kidney Pills have been taken by other members of my family and have brought great benefit. I highly recommend this remedy to other kidney sufferers."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
